PROFILE

UAL graduate in Production Arts for Screen with over 5 years of active involvement in short film productions as both cast and crew. Experienced across the full production pipeline — from storyboarding and on-set direction through to editing and colour grading across multiple industry-standard tools. Currently a Production Intern at Catsnake and Content Strategist for Bronx Boxing Gym, where content strategy has grown social reach by 40% in 4 months. Calm under pressure, collaborative by nature, and driven to create visual work that connects with audiences.

EXPERIENCE

Production Intern · Catsnake

Jun 2026 – Present

London Story Agency

— Support the production team across 3 live client projects, assisting from development through delivery.

— Coordinate production logistics, scheduling, and asset organisation, helping the team hit deadlines across 4 concurrent briefs.

— Work closely with producers and creatives to help translate concepts into finished content, contributing to work reaching 10,000+ views/impressions.

Content Strategist · Bronx Boxing Gym

Mar 2026 – Present

Camberwell, London

— Own content strategy for the gym's social channels, growing follower count by 40% and average engagement by 55% over 4 months.

— Build a consistent content calendar around members, coaches, and events, publishing 3 pieces of content per week.

— Shoot and edit promotional and training content, with top posts reaching 8,000+ views.

Director — Animated Short Film · THE HERDS

Nov 2024 – Feb 2025

UAL

— Directed a fully animated short film from script to screen, screened to an audience of 80+ as part of a UAL-commissioned production.

— Led pre-production (treatment, storyboard, scheduling) and post-production (editing, sound, delivery) across a 12-week production window.

— Coordinated a crew of 6, communicating creative vision clearly across roles to hit a fixed deadline.

Film & Media Teaching Assistant

Jul – Aug 2022

Ravens Wood School

— Supported GCSE students with practical media coursework from concept through to finished piece.

— Demonstrated equipment operation, gave constructive feedback, and kept shoots on schedule.
